Article XVI. Interpretation & Revision

1. Any questions of interpretation regarding the SCoC shall be referred to the Office of Student Conduct & Advocacy for final determination.

2. The SCoC shall be reviewed annually under the direction of the Chief Student Conduct Officer. It is then reviewed by TAMU-CC’s President’s Cabinet and the Office of the General Counsel at TAMUS. In keeping with normal University policy approval processes, the SCoC may, at the sole discretion of the University, be amended at any time. Any approved changes that would have an impact on the current 2020-2021 SCoC will be published online at studentconduct.tamucc.edu. The online version of the SCoC will always reflect the most updated rules and procedures for students.
